

AFAP We Need You!

To serve as a **Delegate** and represent a segment of the Tri-Border community to review and promote submitted quality of life issues during the USAG Schinnen Army Family Action Plan (AFAP) Conference, November 30, 2011 held at the Community Activities Center (CAC) on USAG Schinnen

This is an opportunity to provide input from the people of the Army to Army Leadership. It's a process that lets Soldiers and Families say what's working, and what isn't - AND what they think will fix it. It alerts Commanders and Army Leaders to areas of concern that need their attention, and it gives them the opportunity to quickly put plans into place to work toward resolving the issues.
